

BANGLADESH INSTITUTE OF LAW AND INTERNATIONAL AFFAIRS (BILIA)

CALL FOR PAPERS FOR INTERNATIONAL AFFAIRS

Bangladesh Institute of Law and International Affairs (BILIA) is a leading research institute in the South Asian region. BILIA studies and conducts research on different international issues. To understand current and emerging trends of international affairs, BILIA has been publishing the prestigious biannual *Journal of International Affairs (JIA)* over the years.

JIA [ISSN 1027-9040] is a leading forum for analysis and debate of international issues. JIA solicits unpublished original contributions. Unless specifically stated otherwise, we shall assume that submitted articles are not under consideration for any other publication at time of submission.

We invite you to contribute in **JIA** for its next issue [**Vol. 23 No. 1 (June 2019)**].

Manuscripts should preferably be between **6,000** and **8,000** (Including abstract, footnote, and appendix) words and should be **type written** with **1.5 spaces** and at least **1 inch margin** on all sides. A short **bibliographical note** indicating author's present position, degrees, recent publications and current address should be supplied on a separate page.

The reference style should be in footnote style and you are earnestly requested to follow the author guideline. For details please visit:
<http://www.biliabd.org/jiauthorguide.php>

Also note that the deadline for the submission of your paper is **December 15, 2019**.

You are requested to send your manuscript to bilia222.info@gmail.com
